Airbnbs

Airbnb is likely the most economical option if you want something within walking distance. When searching on Airbnb, input the 78702 zip code. There are many back houses in the neighborhood that are great for 1 or 2 people. Others are whole house rentals where people can share a space. Your presenters will be staying in an Airbnb.

Here is a list of recommendation that have not all been vetted, but are all within walking distance to The Workshop and have good reviews (at the time this list was made).
